Re: Revised Final Printed Labels for IMS Trading, LLC Products,
Registration Nos. 81433-2, 81433-3, 81433-4, and 81433-5

Dear Mr. Davis:

As required by the registration acceptance letters dated February 25, 2005, from the U.S. Environmental Protection Agency (EPA), IMS Trading, LLC (IMS) is submitting the enclosed revised final printed labels for the above-referenced registered products. If you have any questions or comments about the enclosed labels, please call me at (202) 266-5031.

Sincerely,

Sheryl Lindros Dolan

MOTH BALLS

MOTH BALLS

★ **KILLS MOTHS & CARPET BEETLES** ★

★ **NO CLINGING ODOR** ★
PROTECTS CLOTHING

**WHEN USED IN
AIR-TIGHT CONTAINERS
THIS PRODUCT CAN
TREAT UP TO 57 cu. ft.**

**KEEP OUT OF REACH
OF CHILDREN.**

WARNING: SEE SIDE AND
BACK PANEL FOR
ADDT'L PRECAUTIONS

INGREDIENT STATEMENT

ACTIVE INGREDIENT: PARADICHLOROBENZENE	99.8%
INERT INGREDIENTS	0.2%
TOTAL:	100%

NET WT. 10 OZ. (283.5g)

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with labeling.

Thoroughly brush or clean articles to be stored. Use at rate of 1 bag (10 oz.) for each 57 cubic ft. of tightly enclosed space. Distribute IMS Moth Balls evenly around and between the folds of stored articles. Be sure storage space is kept tightly closed at all times and for at least 7 days after protecting with IMS Moth Balls.

IMS Moth Balls will not harm the finest woolsens, furs, silk, or other fabrics. Pleasant odor quickly vanishes when articles are aired.

Paradichlorobenzene Moth Balls should not be mixed or placed in contact with Naphthalene Moth Balls or Flakes.

Do not use in plastic storage box or place in contact with plastic items as paradichlorobenzene damages some plastics.

MOTH BALLS

MOTH BALLS

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING:

Causes eye, skin, and respiratory tract irritation. Harmful if swallowed. Avoid contact with skin, eyes, or clothing.

Physical-Chemical Hazard. Combustible. Do not use or store near heat or open flame.

FIRST AID

If Swallowed	Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
If on Skin or Clothing	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
If Inhaled	Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.
If In Eyes	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact the National Pesticide Information Center (NPIC) at 1-800-858-7378 for emergency medical treatment information.

NOTE TO PHYSICIAN

Probable mucosal damage may contraindicate the use of gastric lavage.

STORAGE AND DISPOSAL

Do not reuse empty box or cellophane. Wrap container and put in trash.

NOTICE:

California has determined that a chemical contained in this product causes cancer based on tests performed on laboratory animals.

Name of Pesticide Product:

IMS Moth Balls

Name and Address of Registrant (include ZIP Code):

IMS Trading, LLC
4225 Longridge Ave #207
Studio City, CA 91604

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product, always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product when the Agency requires all registrants of similar products to submit such data.

2. Make the following label changes before you release the product for shipment:

a. Revise the EPA Registration Number to read, "EPA Reg. No. 81433-2".

b. Include the following information under the "Ingredient Statement":

Active Ingredient.....99.8%

Other Ingredient.....0.2%

Total.....100%

c. Include the following statement:

"Physical-Chemical Hazard. Combustible. Do not use or store near heat or open flame."

d. It is recommended that the following "First Aid" label changes be made as described in PR Notice 2001-1.

Signature of Approving Official:

Daniel C. Kenny, Product Manager (01)
Insecticide-Rodenticide Branch, Registration Division (7505C)

Date:

FEB 24 2005

Revise the "Statement of Practical Treatment" title to read, "First Aid".

Revise the "First Aid" statements to read:

If Swallowed:

- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

If On Skin Or Clothing:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

If Inhaled:

- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.
- Call a poison control or doctor for further treatment advice.

If In Eyes:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

Beneath the "First Aid" statements, include the following information:

"Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-xxx-xxxx (insert number) for emergency medical treatment information."

Note To Physician

Probable mucosal damage may contraindicate the use of gastric lavage.

3. Submit one copy of the revised final printed label for the record before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

INTRODUCTION:

The registrant has submitted product chemistry data in support of the registration application for the proposed end use product "IMS Moth Balls". The product chemistry data have been submitted under MRID No. 462853-02. The registrant has submitted CSF for basic formulation (dated 05/10/04). The registrant has claimed that the proposed product is substantially similar to a registered product with Reg. No. 1475-39. The TRB has been asked to evaluate product chemistry data submitted and determine its similarity to the registered product.

SUMMARY OF FINDINGS

1. The proposed product contains IMS p-Dichlorobenzene technical (Reg. No. 81433-R, 99.8%) as the active ingredient with product label claim of 99.8%.
2. The CSF for the basic formulation (dated 05-10-04) is filled out correctly and completely. The nominal concentration of the active ingredient concurs with the product label claim nominal concentration. The CSF is in compliance with PR Notice 91-2. All the inert ingredients used in the formulation are cleared by the Agency. The data submitted corresponding to the guideline reference 830.1550 (Product Identity & composition) and 830.1750 (Certified limits) satisfy the data requirements of 40CFR§158.155 and 158.175 respectively.
3. The data submitted corresponding to the guideline reference 830.1600 (description of materials used to produce the product), 830.1650 (description of formulation process), and 830.1670 (discussion on the formation of impurities) satisfy the data requirement 40§CFR158.160, 158.165 and 158.167 respectively [MRID No. 462853-02].
4. The data submitted corresponding to the guideline reference 830.1800 (Enforcement analytical method) satisfy the data requirements of 40CFR§158.180. The GC/FID method was used to assay the active ingredient in the product [MRID No. 462853-01].

DP BARCODE No.:D304941 **File Symbol No.:** 81433-E **PRODUCT NAME:** IMS Moth Balls

6. The data submitted corresponding to 830 Series Subgroup B (Physical-Chemical properties) satisfy the data requirements of 40CFR§158.190 [MRID No. 462853-02].

CONCLUSIONS:

The TRB has reviewed the product chemistry data submitted for the proposed end use product and has concluded that:

1. The product chemistry data submitted corresponding to 830 Series Subgroup A and 830 Series Subgroup B (Physical/Chemical properties) are acceptable.

2. The CSF for basic formulation (dated 05-10-04) is acceptable.

3. The proposed product (File Symbol No. 81433-E) was determined to be substantially similar to the registered product with Reg. No. 1475-39 from product chemistry point of view.

4. Product label: The registrant must make the following corrections on the proposed product label:

(i). Under Ingredient statement the registrant must add the percentage of active ingredient (99.8%) and other ingredients as 0.2%. Total - 100%.

(ii). Since the Flash point of the product was determined to be 149.9°F, the registrant is recommended to add on the product label the following statement under Physical-Chemical Hazard in compliance with 40CFR§156.78: "Combustible. Do not use or store near heat or open flame".

5. The registration of the proposed product is subject to the approval and registration of the technical IMS p-Dichlorobenzene (File Symbol No. 81433-R), which is being used as the source of the active ingredient in the proposed end use product.

830.1800. Enforcement analytical method: (MRID No. 462853-01)

The GC/FID with internal standard method was used to assay the active ingredient p-dichlorobenzene TGA1/MUP.

Instrument & Parameters:

Instrument: GC equipped with FID

Detector: FID

Detector temperature: 225°C

Inlet temperature: 225°C

Carrier gas: Nitrogen with flow rate of 8.0 ml/min

Hydrogen: with flow rate of 40 ml/min

Air: with flow rate of 300 ml/min

Column: HP-5, 15 m x 0.53 mm id, metering capillary column.

Injection mode: Split ratio 20:1

Column temperature: 60°C

Volume injected: 1 µL

Internal standard: methyl toluate

Retention time: approximately 4.0 min for p-dichlorobenzene; 6.8 min for Internal standard

The analytical method was validated for precision, accuracy, and linearity.

FORMULATION FROM LABEL:

<u>Active Ingredient:</u>			<u>% by wt.</u>
061501	Benzene	CAS No. 106-46-7	99.8%
<u>Inert Ingredients:</u>			<u>0.2%</u>
Total:			100.00%

ACTION REQUESTED: The Risk Manager requests :

"Attention Substantial Similarity Clinic, Please compare the following two products to see if substantially similar status applies. 81433-E and 1475-39..."

BACKGROUND: IMS Trading, LLC. has applied for registration of IMS Moth Balls, EPA File Symbol 81433-E, claiming similarity to ENOZ Para Moth Balls, EPA Reg. No. 1475-39. The submission includes a label and CSF for the cited product and the proposed product.

RECOMMENDATIONS: We have evaluated the formulations of the proposed product, 81433-E, and the cited product, 1475-39, and have found them to be substantially similar. The signal word is WARNING. TRB recommends that the proposed product, EPA File Symbol 81433-E, use the same precautionary labeling as the cited product, EPA Reg. No. 1475-39.

This memorandum pertains only to the decision concerning whether the subject product is substantially similar to the cited product from an acute toxicological view point. For the purposes of this action, TRB has made no determinations of the adequacy of the toxicological data base or the precautionary label of the cited product.

Read instructions on reverse before completing form.

Re: FIFRA Me-Too Registration Applications for a Manufacture-Use Product
and Four End-Use Products, Submitted by IMS Trading, L.L.C.

Dear Document Processing Officer:

On behalf of IMS Trading, L.L.C., we are submitting the accompanying me-too registration applications for a manufacture-use product and four associated end-use products.

The registrant is IMS Trading, L.L.C. (IMS), headquartered in Studio City, CA. IMS is a small business. The products that are the subject of the accompanying registration applications will be IMS' first pesticide products. IMS, therefore, is requesting a waiver of the registration service fees; waiver requests for the registration applications accompany this letter.

The following documents accompany this letter:

- Transmittal document;
- Fee waiver letter-requests: one each for the manufacturing-use product and the four end-use products, five total; and
- Seven volumes with the registration applications (3 copies of each).

The Acta Group, L.L.C.

Re: FIFRA Me-Too Registration Applications for a Manufacture-Use Product
and Four End-Use Products, Submitted by IMS Trading, L.L.C.

Dear Document Processing Officer:

On behalf of IMS Trading, L.L.C., we are submitting the accompanying me-too registration applications for a manufacture-use product and four associated end-use products.

The registrant is IMS Trading, L.L.C. (IMS), headquartered in Studio City, CA. IMS is a small business. The products that are the subject of the accompanying registration applications will be IMS' first pesticide products. IMS, therefore, is requesting a waiver of the registration service fees; waiver requests for the registration applications accompany this letter.

The following documents accompany this letter:

- Transmittal document;
- Fee waiver letter-requests: one each for the manufacturing-use product and the four end-use products, five total; and
- Seven volumes with the registration applications (3 copies of each).

RE: Fee Waiver for Accompanying Me-Too Registration Application for End-Use Product IMS Moth Balls by IMS Trading, L.L.C.

Dear Document Processing Officer:

IMS Trading, L.L.C. (IMS) respectfully requests a 100-percent fee waiver for the above-referenced registration application, which is being delivered together with this waiver request. Substantiation of IMS's eligibility for a 100-percent fee waiver is provided below and in the accompanying attachments. Also accompanying this fee waiver request are four identical fee waiver requests, one for an active ingredient (AI) / manufacturing use product (MP), and three for three other end-use product registration applications. Each end-use product is formulated with the AI/MP that is the subject of the accompanying registration application.

Section 1: Business Identification

Company Name:	IMS Trading, L.L.C.
Company EPA Number:	<i>Not yet assigned (These are the company's first registrations.)</i>
Mailing Address:	4225 Longridge Avenue, #207, Studio City, CA 91604
Contact Person:	Isaac Shapiro (President)
Contact Information:	818-789-5157; isaac.shapiro@imstrading.net

Section 2: Eligibility for Small Business 100-Percent Fee Waiver

IMS meets the criteria for a full (100 percent) waiver from registration fees. I attach the following documents from IMS' accountant to demonstrate IMS's eligibility:

- Form 568, 2002 California LLC Return of Income; and
- Form 3522, Limited Liability Company Tax Voucher.

First, IMS has only one investor, me, who founded the company in 2002. The above-referenced forms substantiate that IMS is a single member limited liability corporation without additional employees. The waiver requirement that the company has less than 500 employees is thus met.

Second, the products that are the subject of the accompanying registration applications will be IMS's first products. The accompanying Form 568 demonstrates total income in 2002 of [REDACTED]. The company has not yet had to file for 2003 (the filing date will be in October) but total income will be comparable. The waiver requirement that the company earn less than \$10 million annually is thus met.

Finally, IMS has no business affiliates. I am the sole owner. IMS has no subsidiaries.

Section 3: Certification Statement

I, Isaac Shapiro, the President of IMS Trading, L.L.C., am authorized and have personal knowledge sufficient to make this certification on behalf of IMS. I hereby certify under the penalty of perjury that the documentation submitted in connection with IMS's fee waiver request is true, complete, and correct in all material respects.

Sincerely,

Isaac Shapiro
President

KIMBERLY C. COVEY

II. Summary of the Registration Application

IMS Trading, L.L.C. (IMS) is submitting a follow-on, me-too registration for IMS Moth Balls. This registration application accompanies three other me-too registration applications for end-use products, as well as a follow-on registration application for the manufacturing-use product paradichlorobenzene.

IMS will have its Moth Ball product produced by [REDACTED]

[REDACTED] A confidential statement of formula (CSF) is included in Section V of this volume. The CSF demonstrates that IMS' product is the same or substantially similar as the existing registration by Willert Home Products Inc., EPA Registration No. 1475-39.

PRECAUTIONARY STATEMENTS:
HAZARD TO HUMANS AND DOMESTIC ANIMALS.

WARNING: Causes eye, skin, and respiratory tract irritation. Harmful if Swallowed.

Avoid contact with skin, eyes, or clothing.

STATEMENT OF PRACTICAL TREATMENT:

IF SWALLOWED: Drink promptly a large quantity of water. Do not induce vomiting. Avoid alcohol. Get medical attention.

IF IN EYES: Immediately flush w/ plenty of water for at least 15 minutes. Get medical attention.

IF ON SKIN: Immediately flush w/ plenty of water. Remove contaminated clothing. Wash clothing before reuse.

IF INHALED: Remove to fresh air.

If breathing, give artificial respiration. If breathing is difficult, give oxygen. Get medical attention.

STORAGE AND DISPOSAL:

Do not reuse empty box or cellophane. Wrap container and put in trash.

NOTICE: California has determined that a chemical contained in this product causes cancer based on tests performed on laboratory animals.

EPA Reg. No.
EPA Est.

MOTH BALLS

**KILLS MOTHS
& CARPET BEETLES**

**KEEP OUT OF REACH OF CHILDREN.
WARNING: SEE SIDE PANEL
FOR ADD'L INSTRUCTIONS.**

ADDITIONAL PRECAUTIONS

ACTIVE INGREDIENT: PARADICHLOROBENZENE

INERT INGREDIENTS:

TOTAL:

NET WT. 7 OZ. (198.45g)

DIRECTION FOR USE:
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Thoroughly brush or clean articles to be stored. Use at rate of 1 bag (7 oz.) for each 40 cubic ft. of tightly enclosed space. Distribute IMS Moth Balls evenly around and between the folds of stored articles. Be sure storage space is kept tightly closed at all times and for at least 7 days after protecting with IMS Moth Balls.

IMS Moth Balls will not harm the finest woolens, furs, silk, or other fabrics. Pleasant odor quickly vanishes when articles are aired.

Paradichlorobenzene Moth Balls should not be mixed or placed in contact with Naphthalene Moth Balls or Flakes.

Do not use in plastic storage box or place in contact with plastic items as paradichlorobenzene damages some plastics.

Certification with Respect to Citation of Data

Applicant's/Registrant's Name, Address, and Telephone Number IMS Trading, LLC, 4225 Longridge Ave #207 Studio City, CA 91604, 818-789-5157	EPA Registration Number/File Symbol 81433-2
Active Ingredient(s) and/or representative test compound(s) Paradichlorobenzene	Date
General Use Pattern(s) (list all those claimed for this product using 40 CFR Part 158) Indoor	Product Name IMS Moth Balls

NOTE: If your product is a 100% repackaging of another purchased EPA-registered product labeled for all the same uses on your label, you do not need to submit this form. You must submit the Formulator's Exemption Statement (EPA Form 8570-27).

☐ I am responding to a Data-Call-In Notice, and have included with this form a list of companies sent offers of compensation (the Data Matrix form should be used for this purpose).

SECTION I: METHOD OF DATA SUPPORT (Check one method only)

☒ I am using the cite-all method of support, and have included with this form a list of companies sent offers of compensation (the Data Matrix form should be used for this purpose).

☐ I am using the selective method of support (or cite-all option under the selective method), and have included with this form a completed list of data requirements (the Data Matrix form must be used).

SECTION II: GENERAL OFFER TO PAY

[Required if using the cite-all method or when using the cite-all option under the selective method to satisfy one or more data requirements]

☒ I hereby offer and agree to pay compensation, to other persons, with regard to the approval of this application, to the extent required by FIFRA.

SECTION III: CERTIFICATION

I certify that this application for registration, this form for reregistration, or this Data-Call-In response is supported by all data submitted or cited in the application for registration, the form for reregistration, or the Data-Call-In response. In addition, if the cite-all option or cite-all option under the selective method is indicated in Section I, this application is supported by all data in the Agency's files that (1) concern the properties or effects of this product or an identical or substantially similar product, or one or more of the ingredients in this product; and (2) is a type of data that would be required to be submitted under the data requirements in effect on the date of approval of this application if the application sought the initial registration of a product of identical or similar composition and uses.

I certify that for each exclusive use study cited in support of this registration or reregistration, that I am the original data submitter or that I have obtained the written permission of the original data submitter to cite that study.

I certify that for each study cited in support of this registration or reregistration that is not an exclusive use study, either: (a) I am the original data submitter; (b) I have obtained the permission of the original data submitter to use the study in support of this application; (c) all periods of eligibility for compensation have expired for the study; (d) the study is in the public literature; or (e) I have notified in writing the company that submitted the study and have offered (i) to pay compensation to the extent required by sections 3(c)(1)(F) and/or 3(c)(2)(B) of FIFRA; and (ii) to commence negotiations to determine the amount and terms of compensation, if any, to be paid for the use of the study.

I certify that in all instances where an offer of compensation is required, copies of all offers to pay compensation and evidence of their delivery in accordance with sections 3(c)(1)(F) and/or 3(c)(2)(B) of FIFRA are available and will be submitted to the Agency upon request. Should I fail to produce such evidence to the Agency upon request, I understand that the Agency may initiate action to deny, cancel or suspend the registration of my product in conformity with FIFRA.

I certify that the statements I have made on this form and all attachments to it are true, accurate, and complete. I acknowledge that any knowingly false or misleading statement may be punishable by fine or imprisonment or both under applicable law.
